BECOME A HEALTH PLANNER

“Health start from understanding your body”

HEALTH PLANNER

Welcome!

Hello, I'm so excited to present this wonderful opportunity to find new career paths. During this program, I'm going to share all I have learned in the dental world since 1998 working with incredible doctors and patients.

Meeyoung Kim
CEO/FOUNDER

HEALTH PLANNER

What do we do?

Health planners will help and meet directly with patients to help them with patients' health starting from the mouth.

- AI Trained
- X-ray Trained and explained the AI symphony to the patients
- Insurance reimbursement with patient's agreement
- Dental. Medical. Car accident. Workers comp.
- Train other health planner to expand your business
- Work with doctors to support patients on the best above standard of care
- Work with insurance companies to help patients get the necessary medical documents

How do we make money?

- Hired by the network of DDS DMD that we have network with
- Hired by the patient to pay the % of the work you are helping them to get reimbursement
